

EL Modena Band and Guard Fundraising Opportunities

As a band we need to raise money to meet this year's expenses and keep accounts as low as possible for each member of the band. Each fundraising activity is an opportunity for the students to earn money to apply to their band account and to support the band. The more money you raise, the more is applied to your students account and the less you pay out of pocket!

These are the fundraising activities for this year.

August-Car Wash: tickets sold by students with a 50/50 split - 1/2 to student account and 1/2 goes to general fund
