

# El Modena High School Music Department

## “Becoming a Sponsor”

### Marching Band - Color Guard - Drum Line

---

We are asking you to be a part of the award-winning Music Department program at El Modena High School by making a tax-deductible donation. Sponsoring this program will give your business local and far-reaching advertising spots for these hard working students.

The El Modena Music Department is seeking sponsors to help with cash or product donations. These donations will help reduce the annual expenses for each band member and provide continued quality program. With declining school budgets and limited funds from the school district, the El Modena band boosters must now pay for transportation to and from all events, coaching fees, purchase and repair of instruments, equipment and costumes.

Through extensive fundraising efforts, the El Modena High School Band boosters purchased a 26 foot enclosed trailer for all traveling needs. The exterior sides of the trailer proudly display the school logo with much space for community support. This trailer brings pride and acknowledgment not only to the students in the band, but also our surrounding communities. Please consider sponsorship in one of the following categories:
