Re: Welcome Back Family BBQ

The major focus of the Hospitality committee is to coordinate and prepare food for the band/guard members during competitions and at special events. Hospitality will provide the main course and each band/guard member is expected to bring items such as drinks, chips etc. as requested by the Hospitality committee. Flyer will go home before each event with a list of items like on this paper below.

Our first event is Friday, August 14, 2009 the traditional welcome back BBQ for all band/guard members and their immediate family. This day, the last day of band camp, will include special events for members during the day, an evening BBQ for everyone, a preview performance, and a short meeting for all parents. This is a great opportunity for parent to see the results of the entire band and guard's hard work!

Each member is expected to bring the following items:

Last name beginning in:

A-C	Cut up Fruit
D-G	Salads
G-L	Deserts/Chips
M-Z	1 case of water or 12 pkg. of Soda

Non-perishable items may be brought to the band room on the morning of Aug 12th. Bring all perishable items ½ hour before the BBQ start time (to be announced by Mr. Ames)

Hospitality will provide the main course, plates and utensils. We hope that all families join us for this great event. Anyone wishing to help cook or setup/take down please contact me at 714-771-3265 or debski2@sbcglobal.net or just come on buy and help.

Thanks for everything,
Stan Debski
