September 7, 2010

Dear _____,

_____ of the El Modena Band and Color Guard is participating in a Rehearse-a-thon to raise money for the Marching program. We would like to raise funds to help pay our travel expenses to central California to compete in the WBA Championships in Fresno in November. Our Rehears-a-thon will take place all day Saturday, October 9, from 8am to 8pm.

All donations are tax-deductible and are greatly appreciated by the Students, Staff and Boosters. The students are working hard and we are all looking forward to another very successful season. We appreciate your support and hope you are able to attend some of our competitions this year. Check our web site for competition dates, times, and locations: www.elmodenabandandguard.com

If you would like to help the program by supporting the band & guard member who will be working so hard that day, please complete the form below, detach it, and return it in the envelope provided. An income tax donation receipt will be sent to you after receiving your donation.

Thank you for your support.

Sincerely,
Randy Ames
Band and Color Guard Director

Sue Coffman
Booster President
